

# NELLY'S PUBLIC VIEW MONITOR (NSC-PVM)

NDAА-COMPLIANT 10.1" IP POE POWERED PUBLIC VIEW MONITOR W BUILT IN CAMERA, MIC, AND PIR

## PRODUCT HIGHLIGHTS

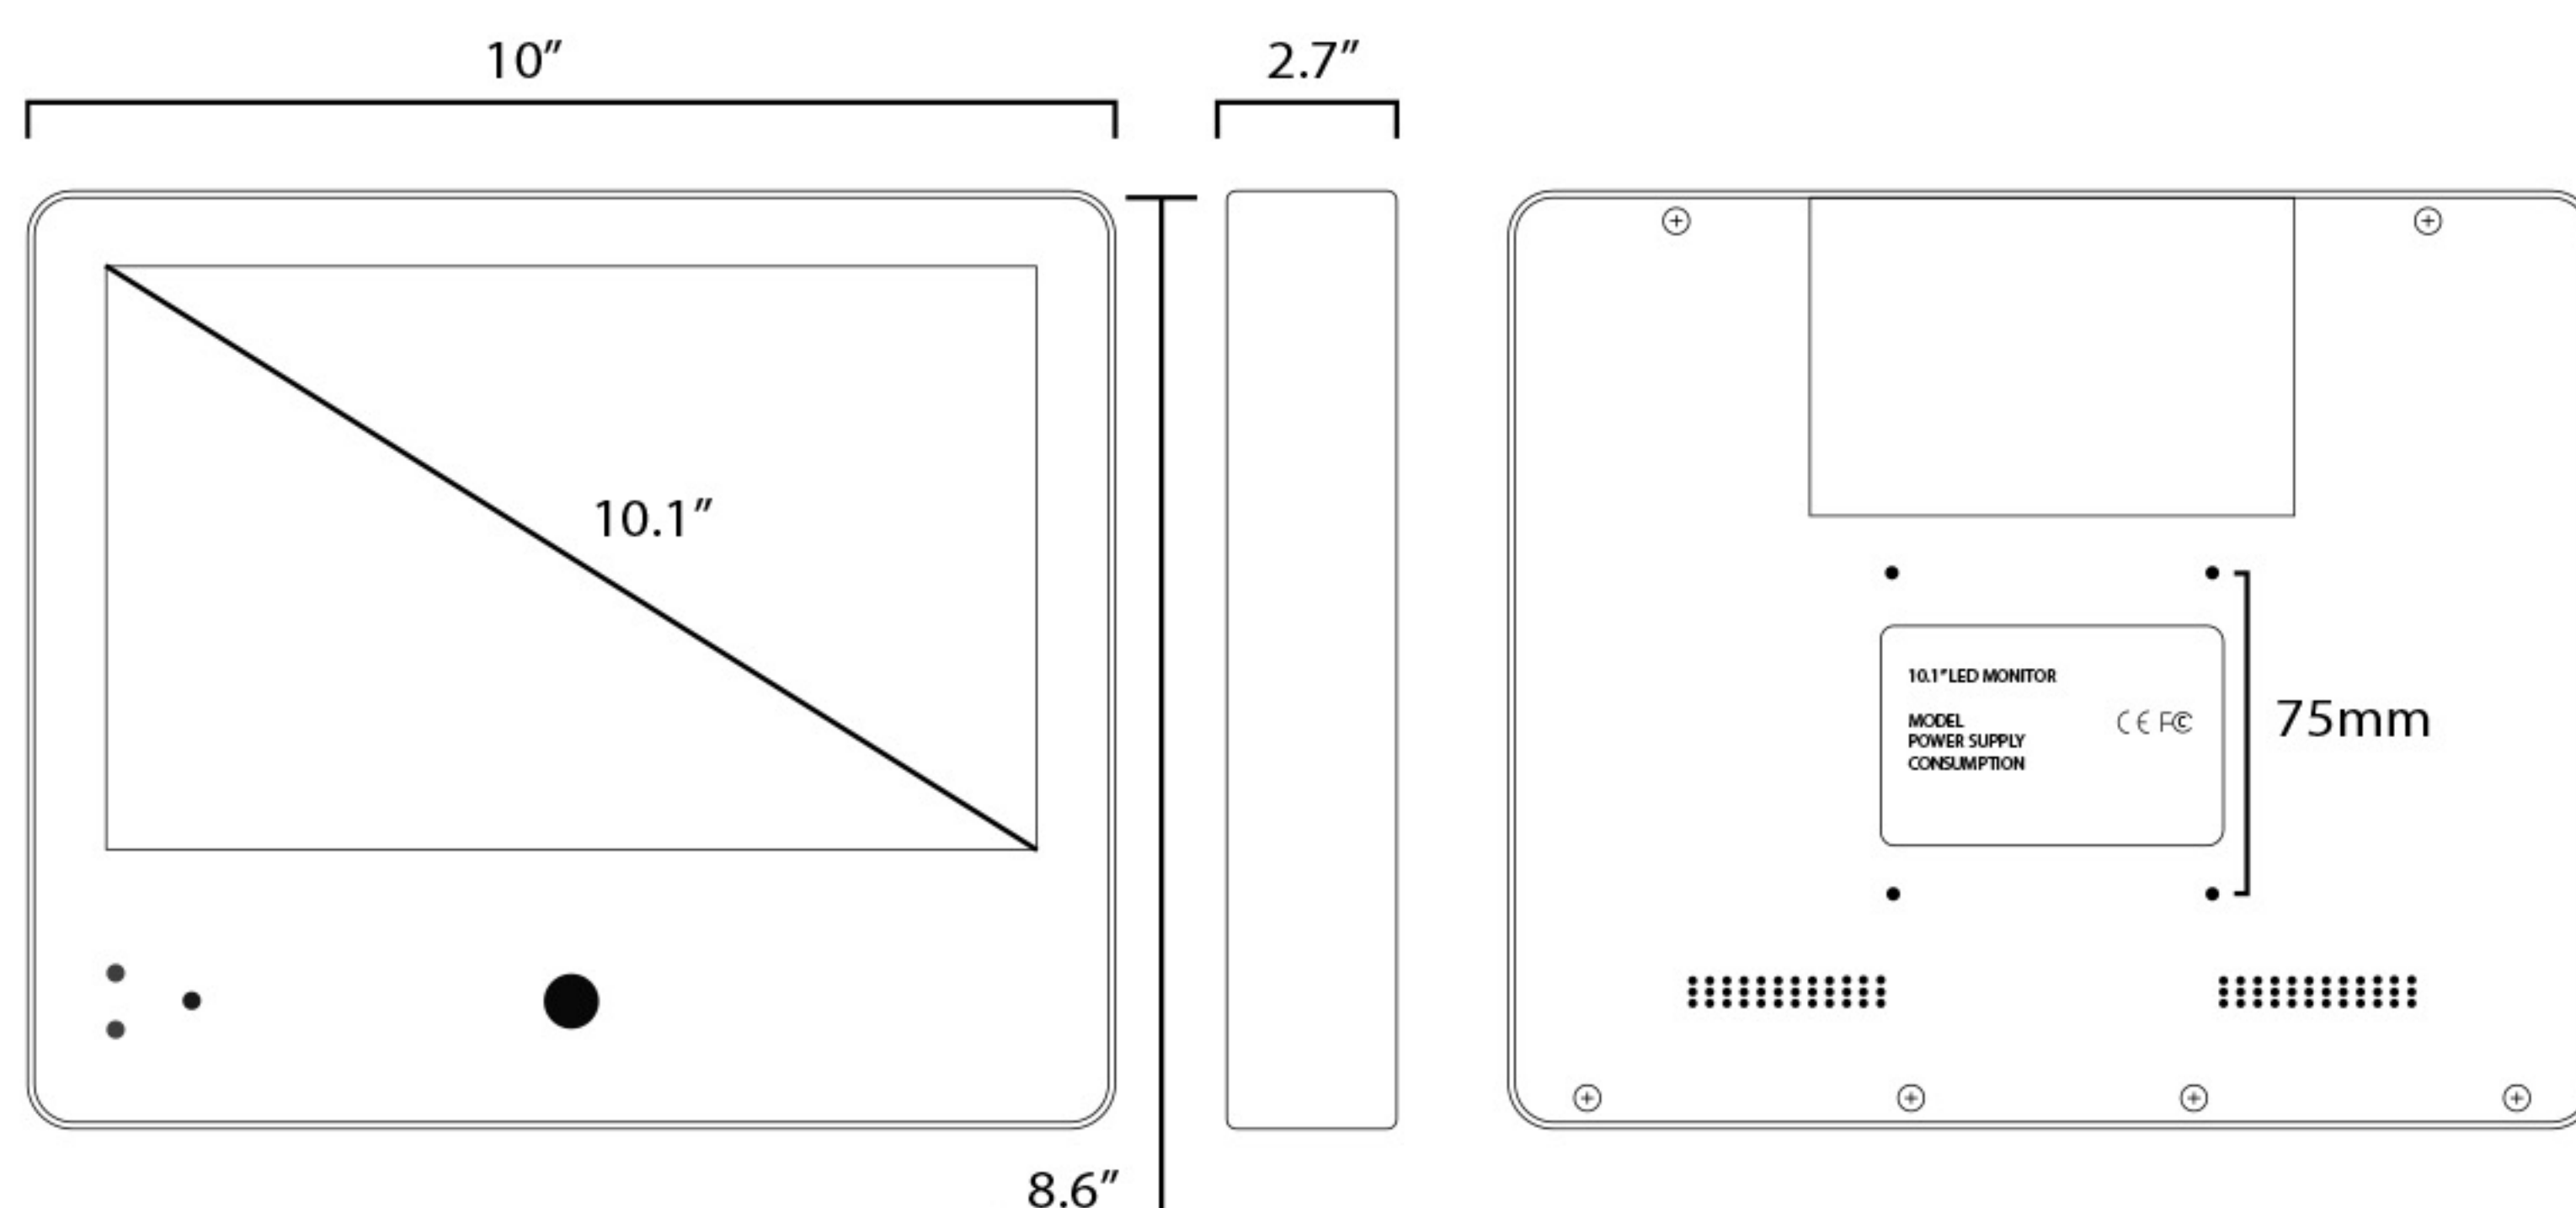

A public view monitor with a built-in **5MP NDAA-Compliant IP Camera**. The NSC-PVM is perfect for quick public view monitor setups.

You can display a logo and advertising slideshows while the monitor is passive, then automatically switch to PVM mode based on motion detection with the built-in PIR motion detector.

Record directly to the PVM via a MicroSD card or record with your NVR via the ONVIF protocol or RTSP address.

With an acrylic cover, a slim metal housing, and a slick dark profile, the NSC-PVM will look great anywhere. Use it in retail scenarios, store entrances, ATMs, and any other scenario where you need passersby to know they're being watched and recorded.

## PRODUCT DIMENSIONS

## PRODUCT SPECIFICATIONS
